

## Creative Embroidery Group

The creative embroidery group meets on a Tuesday morning from 10 am to 12 noon.

The creative embroidery group has recently completed sewing two panels for The Great Tapestry of Scotland. This was a unique project to create a tapestry depicting the story of Scotland from pre-history to modern times, using over 120 panels and 143 metres of embroidery. The tapestry was on show from the 3<sup>rd</sup> to the 21<sup>st</sup> of September and attracted over 30,000 visitors! The group has been meeting for a number of years and now work on individual projects.

For more information about The Great Tapestry of Scotland head to <http://scotlandstapestry.com>
