

**Friends of North Berwick Museum  
Wednesday monthly, 7.00pm-9.30pm**

The Friends of North Berwick Museum are an independent organisation started in 1984 to support the activities of the North Berwick Museum.

They organise exhibitions, talks and record and research local history. The museum is run by a charitable trust, the Coastal Communities Museum Trust and some of the Friends along with others are volunteers.

There are currently 250 members of this organisation and anyone can join at a cost of £4 per annum (£2 concessions). This provides free entrance to our talks.
